onwards, the rescheduling of the Railways is likely to go on. So, I would like to know whether a meeting would be convened before that.

MR. SPEAKER: He wants to know whether you will be willing to convene the constituency-wise meetings.

SHRI RAM VILAS PASWAN: Sir, as I have said, when all the Committees including those of the Divisional and Zonal levels start functioning, we would as a matter of fact be covering even a lower level then envisaged by the hon. Member. We take the responsibility at our level. At the lower level, the officers below us will be responsible for monitoring.

Child Abuses

*522. SHRI N.S.V. CHITTHAN: Will the Minister of HOME AFFAIRS be pleased to state:

(a) whether any inquiry into the child abuses has been undertaken by the Union Government recently;

(b) if so, the details thereof, State-wise; and

(c) the steps taken to check this menace?

THE MINISTER OF HOME AFFAIRS (SHRI INDRAJIT GUPTA): (a) to (c) An Advisory Committee was constituted by the Government of India at the Central level in March 1994 to suggest measures to be taken for eradicating child prostitution. The recommendations made by the Committee have been sent to the State Governments for appropriate action.

The Government of India is attempting to bring about an overall improvement in the status of children, especially girl children, through better education, health care and empowerment of women. The National Human Rights Commission has also formed a Core Group to study the problem of child prostitution in Delhi and Karnataka and to work on preventive and rehabilitative strategies.

The perception of child labour as a harsh outcome of the socio-economic conditions prevailing in the country has led to an enhanced consciousness on the need to tackle the problem of child labour in a multi-dimensional and integrated manner. Keeping in view the fact that legislation alone would not be sufficient to tackle the problem of exploitation of child labour, the Government formulated the National Policy on Child Labour which was announced in Parliament in August 1987. The action plan under the National Policy on Child Labour comprises a legislative action plan, focussing of general development programmes for benefitting children wherever possible and project based action plans in areas of high concentration of child labour engaged in wage/quasi-wage employment. With a view to fulfilling the constitutional mandate, a major programme was launched on 15th August, 1994 for rehabilitating child labour working in hazardous occupations. A high powered body, the National Authority for the Elimination of Child Labour (NAECL) was constituted on 26th September, 1994 under the chairmanship of Labour Minister.

India is a signatory to the World Declaration on the survival, protection and development of children. In order to implement the World Summit Goals, the Department of Women and Child Development has prepared a National Plan of Action in consultation with the concerned Central Ministries/Departments, State Governments and voluntary organisations. This Plan addresses health and family welfare related activities, removal of gender discrimination and special protection for economically, socially and physically disadvantaged groups.
